*Things are not the same  
without you. I'm blue.  
I miss your smile,  
your touch, your laughter,  
and how much fun we always have  
when we're together -  
and I've been thinking about the days  
(and nights) we've shared.  
When you're here with me,  
I feel so complete...so alive.  
From the first day we met,  
I knew I would love you  
like I'd never loved anyone before...  
like I'd never love anyone again.  
Things just aren't the same  
without you...  
and so do you know what?  
I miss you.*

*You always had my heart and always will (for Eternity)  
-Your Demetrice  
(Your Cinnamon Roll)*

In Loving Memory  
Of

*Robert "Screw" Davis*
